Birds at Evening.

When the gulls fly homeward and the rooks are following high, And the gray feet of the silence with a silver dream are shod, I mind me of the little wings abroad in every sky, Who seek their rest of God.

And when the dove is hidden and the dew is white on the corn, And the brown bee in the heather and the shepherd with the sheep I mind me of the little wings in the holm-oak and the thorn Who take of Him their sleep.

When the brier closes and the iris-flower is furled

MRS. BEIDEL TELLS WOMEN

How Lydia E. Pinkham's Vegetable Compound Kept Her in Health for 14 Years.

Shippensburg, Pa.—"It was several years ago that I started taking Lydia E. Pinkham's Vegetable Compound. I then suffered terribly every month. My husband bought me a bottle of it and it helped me right away. Then after my second child was born I had a female trouble very badly and I used Lydia E. Pinkham's Vegetable Compound and in a short time was cured and have been in excellent health since. I always praise the Compound whenever I have an opportunity as I know it helped me and will help others. Lately I have given the Compound to my daughter and I wish all suffering women would take it and be convinced of its worth."—Mrs. JAMES A. BEIDEL, 113 N. Penn Street, Shippensburg, Pa.

Lydia E. Pinkham's Vegetable Compound, made from native roots and herbs, contains no narcotic or harmful drugs, and to-day holds the record of being the most successful remedy for female ills we know of, and thousands of voluntary testimonials on file in the Pinkham laboratory at Lynn, Mass., seem to prove this fact.

If you have the slightest doubt that Lydia E. Pinkham's Vegetable Compound will help you, write to Lydia E. Pinkham Medicine Co. (confidential) Lynn, Mass., for advice. Your letter will be opened, read and answered by a woman, and held in strict confidence.

And over the edge of the evening the swallow seeks her nest, I mind me of the little feet abroad in all the world, Who find in Him their rest.

—MARJORIE PICKTHALL, in The University Magazine.

Browning Class.

This is the first opportunity that has ever been given for other members to be added to the class, or for others to be given the privilege of these lectures and it is quite certain that vacancies will be filled immediately.

Imaginary Heart Trouble.

Do you have pains in the region of the heart? Does your heart thump? Its terrible pounding alarms you? What is wrong? Do you believe these symptoms mean heart trouble? Organic diseases of the heart very seldom occasion much pain. Nearly all of these pains are caused by some derangement of the stomach. Meritol Tonic Digestive is especially recommended for indigestion and dyspepsia, and for restoring the stomach to its normal functions and—no more "heart disease." F. J. Ramsey, Exclusive Agent.

ALMOST FRANTIC WITH DANDRUFF

Tormented by Itching. Hair Came Out by Combs. Pimples on Scalp. Cuticura Soap and Ointment Made Permanent Cure.

Blossell, Ala.—"I had a very bad case of dandruff on my head. I was tormented by itching and my hair began to come out by the comb. I almost became frantic, fearful that I would lose all of my hair which was my pride. There were some pimples on my scalp and I scratched them until they made sores. My hair was dry and lifeless.

"I was bothered about four months and had tried various kinds of preparations which seemed to only make it worse. I saw the advertisement of Cuticura Soap and Ointment and sent to my druggist for three cakes of Cuticura Soap and a box of Cuticura Ointment. I washed my scalp with warm water strong with the Cuticura Soap and dried, afterwards applying the Cuticura Ointment, working it in the scalp slowly with my fingers. After using them for several days my hair began to stop coming out. The dandruff all disappeared and in less than four weeks a cure was accomplished permanently." (Signed) Miss Lucy May Nov. 6, 1912.

Cuticura Soap and Ointment do so much for pimples, blackheads, red, rough skin, itching, scaly scalp, dandruff, dry, thin and falling hair, chapped hands and chapped nails, that it is almost criminal not to use them. IF BACK-HURTS BEGIN ON SALTS

Take a glass of Salts if your Back hurts or Bladder troubles you.

No man or woman who eats meat regularly can make a mistake by flushing the kidneys occasionally, says a well-known authority. Meat forms uric acid which excites the kidneys, they become overworked from the strain, get sluggish and fail to filter the waste and poisons from the blood, then we get sick! Nearly all rheumatism, headaches, liver trouble, nervousness, dizziness, sleeplessness and urinary disorders come from sluggish kidneys.

The moment you feel a dull ache in the kidneys or your back hurts or if the urine is cloudy, offensive, full of sediment, irregular of passage or attended by a sensation of scalding, stop eating meat and get about four ounces of Jad Salts from any pharmacy; take a tablespoonful in a glass of water before breakfast and in a few days your kidneys will act fine. This famous salts is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to flush and stimulate the kidneys, also to neutralize the acids in urine so it no longer causes irritations, thus ending bladder weakness.

Jad Salts is inexpensive and cannot injure; makes a delightful effervescent lithia-water drink which everyone should take now and then to keep the kidneys clean and active and the blood pure, thereby avoiding serious kidney complications.

Serious Charges Against Preacher

Lawton, Okla., April 8.—I. T. Jones, said to be a former Holiness preacher, is in the county jail here, charged with a statutory offense against the three little daughters of W. M. LeMaster, a Holiness minister. Mr. LeMaster was out of the city at the time of the assault which occurred last Friday, and immediately on his return personally arrested Jones and turned him over to the county authorities. He will be given opportunity to plead Thursday. Much public indignation is aroused, as the oldest of the girls is but 9 years of age. Jones is a man of about 55 years of age.
